An Act To Protect Citizens from Physical Injury Due to Obstructed Driveways

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 23 MRSA §3455 is enacted to read:

§ 3455. Obstruction of driveways

A bar, cable or similar obstruction blocking a driveway leading onto public or private land from a public way must be marked with reflective material that is highly visible during day or night and may not be more than 3 feet high. For purposes of this section, "obstruction" does not include a gate.

SUMMARY

This bill requires that a bar, cable or similar obstruction, not including a gate, that is blocking a driveway leading onto public or private land from a public way be marked with reflective material that is highly visible during day or night and not be more than 3 feet high.
